# STRENGTH AND RESILIENCE IN THE WESTERN CAPE

A photography exhibition by Gulshan Khan

@ THE KROOK, GHENT  
FROM NOVEMBER 28, 2024 TO DECEMBER 14, 2024

As climate change challenges our environments and infrastructure, communities adapt, move, and connect, with the most vulnerable affected the most. The Western Cape reflects this resilience and strength, reminding us of our shared humanity and the need for meaningful action.

The Exhibition Opening will follow the Ghent University Nelson Mandela Lecture 2024 on November 28 at 19h30. Kindly register for the lecture and the opening at <https://event.ugent.be/registration/MandelaLecture2024>
